- Fall 2007 — 2011 **President's List**
Awarded to students with at least 12 hour course load who displayed academic excellence by maintaining a 4.0 GPA.

Employment Experience

- Summer 2011 **Counselor**, Bridges To A Brighter Future, Furman University, Greenville, SC
• Counseled intercity high schooler on the importance of pursuit of a higher education
• Instructed students on testing strategy for college admissions
• Encouraged the reduction of risky behavior in order to reduce teen pregnancy and sexually transmitted disease.
- January 2009 — May 2011 **Resident Assistant**, Clemson University Housing, Clemson, SC
• Assisted in the personal development of 75 residents
• Encouraged dialogue in the community of social identity and leadership development
• Implemented aides to encourage residents to engage in opportunities to use problem-solving skills
• Developed an environment that permitted the academic success of the residents.

Research Experience

- 2015 — 2016 **Research Assistant**, USC Department of Orthopedic Surgery
"The Value of the On Call Resident - A Multi-Center Prospective Evaluation of Orthopedic Resident Services and Billing"
• Retrospective review of 200+ charts to gather data on patient encounters by current orthopedic surgery residents in the past calendar year.
• Calculated the relative value units for each procedure that was performed
- Summer 2010 **Full Time Research Assistant**, Pulmonary Department, Medical University of South Carolina

Principal Investigator: Charlie, Strange, MD

"Ventilation/Perfusion Matching in patient with Endobronchial Valve Placement"

- Inspected the efficacy of the endobronchial valve in patient with emphysematous changes compared to patient's who received lobectomy.
- Interpreted the V/Q mismatch via nuclear study of the participants prior and after valve placement

Abstracts/Publication/Presentation

- December 2020 **Severe Craniofacial Morbidity from a Bean Bag Projectile; PRS Global Open**
Santiago Gonzalez, Vishalli Loomba, Osita Obi-Osuagwu, Abdl-Rawf Al-Nowaylati, Paymon Rahgozar
- February 2018 **A Prospective Multicenter Evaluation of the On Call Orthopedic Resident**
Benjamin Jackson, Scott Vicen, James Davies, Kevin Phelps, Osita Obi et al
- Summer 2010 **Obi O.** Abstract. "Ventilation/Perfusion Matching In Patients With Endobronchial Valve Mediated Lobar Volume Reduction". SURP Conference. Charleston, SC.

Volunteer Experience

- 2014 — 2016 **MAPS mentor.** Student National Medical Association (SNMA)
• Mentorship and pipeline outreach to pre-medical students
- 2013 — 2016 **Volunteer.** University of South Carolina School of Medicine
• Community outreach — Blood pressure, Hyperglycemia, BMI, and Medication Reconciliation
- Fall 2013 **Co-Coordinator/Speaker.** Premedical Conference, SNMA USC SOM chapter
• Targets minority students in the surrounding colleges to help introduce them to the rigors of the application process of medical school.
• Testing strategies on how to approach the MCAT

Unique Experiences

- Senior microsurgery resident at the Buncke Clinic, 2021
- Ultrasound Curriculum with USC SOM — Heart, Liver, Kidney, Thyroid, Soft Tissue, Bladder, Lungs, FAST exam
- Senior Mentor Program: Innovative and Parallel Geriatric Curriculum
